PRINT MAGAZINE EDITION

6x ISSUES PER YEAR

Torque Magazine is an innovative and unique international magazine covering the global fastener, tool and related industries.

Complemented by a weekly email newsletter and news website (www.torque-expo.com), Torque Magazine is published ten times a year, featuring essential news, views, industry insights, reports and features for businesses in the industry.

Print issues, published six times a year, are sent to Europe. In addition, four issues are purely digital (*see below*).

UNIQUELY, TORQUE MAGAZINE COVERS THE GLOBAL DISTRIBUTION MARKET FOR >

- Fasteners, Fixings & Adhesives
- Abrasives & Lubricants
- DIY Products
- Consumables
- Associated products, IT & Support Services
- Hand & Power Tools
- Trade Displays, Shopfittings & Work Cases
- Hardware & Architectural Ironmongery
- Clothing, Safety & Janitorial

ENHANCED DIGITAL EDITION

5x ISSUES PER YEAR

Torque's enhanced digital magazine is a cutting edge publication packed with pictures, videos and interactive elements. A cut above standard digital PDF mags, Torque's enhanced digital magazine can present sales messages in fresh and eye-catching ways and link readers directly to B2B sites, web shops, digital catalogues and more.

- Digital issues feature picture galleries from shows & product launches.
- Videos are incorporated too, including editorial-led factory reports and interviews to sales-oriented product demos.
- Digital issues are responsive so will look optimal on desktops, mobile phones, Smart TV, iPads and other tablets.
- Long shelf life, with magazines accessible via an archive, providing further exposure for editorial and advertisements alike.

INTERNATIONAL CONNECTIONS

To strengthen and expand partnerships and readership, Torque regularly exhibits at key industry shows like the Taiwan International Fastener Show and Cologne's International Hardware Show, among others.

INTERNATIONAL
FASTENER EXPO

READERSHIP

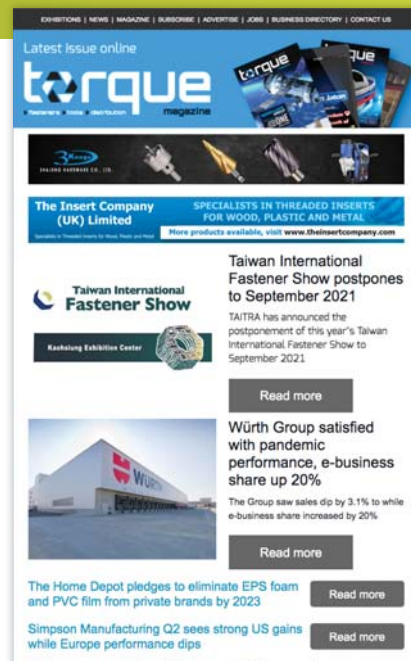

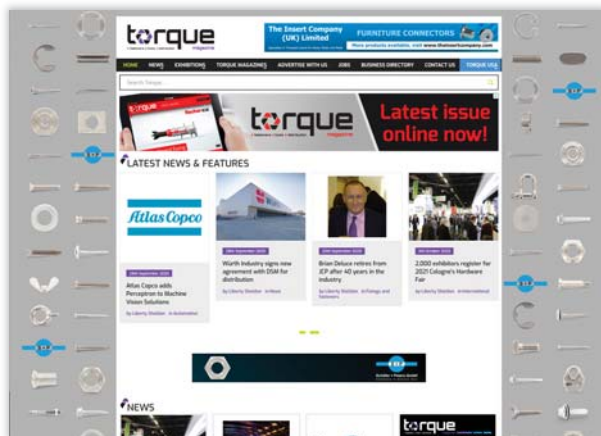

Torque Magazine is read by distributors, wholesalers, manufacturers, stockists and related companies, reaching key decision makers, including Managing Directors, Owners and Senior Buyers within the trade. Freely available to our highly targeted and carefully maintained database, Torque Magazine delivers important industry messages to the market.

With an international print circulation in excess of 10,000 decision makers and a targeted, engaged readership of the Digital editions, Torque Magazine is also distributed at key industry shows as well as shared through Torque's growing social media community via Twitter, LinkedIn, XING and Facebook.

TORQUE-EXPO.COM + EMAIL NEWSLETTER

Not only does the Torque website provide up-to-the minute industry news, shared with readers via a free weekly newsletter and through social media channels, but www.torque-expo.com is also the Torque hub – linking directly to the digital magazine and with the Torque-Expo exhibitions.
